RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed November 19, 2004, applicants hereby provisionally elect, with traverse, Species 2 (Fig. 7, SCP, SCA non-planar) for initial examination in this application. Claims 1-3 and 5 read on the elected species and no claims are generic to all species outlined in the Office Action.

The Election of Species Requirement stated in the Office Action on November 19, 2004 is traversed for the following reasons. Species LPA and SCA, corresponding to Figs. 6 and 7, respectively, are related, not independent and mutually exclusive, because they

comprise two different sub-combinations usable with each other in a single combination. See MPEP 806.04(b) and 806.05(d). Office Action does not demonstrate that the claimed subcombinations are distinct from each other, as MPEP 806.05(d) requires as a basis for such a requirement. The Office Action fails to demonstrate any (a) separate classification of the alleged species; (b) separate status in the art when the species are classifiable together; or (c) different field of search for those species, let alone any serious burden in conducting a search All of species 1-4 are encompassing the alleged species. sufficiently related that a thorough and complete search for any one of those species should encompass a thorough and complete search for all species.

Search and examination of the entire application can be made without serious burden. See MPEP \$803 which states that "[i]f the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits." This policy should apply in the present application to avoid unnecessary delay and expense to applicants and unnecessary duplicative examination by the USPTO.

Serial No.: 10/748,670

For the foregoing reasons, reconsideration and withdrawal of the election requirement and examination of all species herein are respectfully requested.

Respectfully submitted,
